

## WHAT DOES TOXIN FREE KIDS SUPPORT?

We will support projects that create a safe and healthy indoor environment in the areas where children spend their time. Eligible projects will be:

- Requests in the range of \$500 – \$2,500.
- Completed by May 2017.
- Located where children sleep, eat, play, or learn indoors (not administrative areas).
- Projects may be either:
  - ✓ **Facility improvements**, such as VOC-free paint, or non-toxic flooring, or
  - ✓ **Equipment**, such as non-toxic nap mats, or solid wood/VOC-free furniture.

This funding may not be used for consumable purchases; that is, anything that is used up and purchased again regularly (such as cleaning products, food, and art supplies).

## HOW DOES MY NONPROFIT APPLY?

Please send us **ONE** page that addresses these points:

1. Contact Information:
  - Name, address, phone, and EIN of the nonprofit
  - Name, phone, and email address for the person responsible for the project
2. Are you replacing equipment, flooring, etc.? Please describe what your health and safety concerns are about the current conditions.
3. Describe the project: What are you intending to purchase? How will it benefit the children you serve?
4. How many children, and at what ages, will be impacted by the project?
5. How many of those families are eligible for subsidy?
6. A simple grant request and project budget, for instance: “We request \$1,010 for the purchase of 225 square feet of Marmoleum @ \$4.49/sq. ft.” or, “We request \$553 for the purchase of a solid wood, non-toxic table and 6 chairs.”

Please submit your one-page application as a PDF to [give@seventhgeneration.com](mailto:give@seventhgeneration.com).

## WHAT IS THE DEADLINE?

All applications are due to [give@seventhgeneration.com](mailto:give@seventhgeneration.com) by **May 16, 2016**.

We will be in touch with decisions in July, 2016, by email to the address you provide.

## HOW DO I REPORT ON THIS GRANT?

Our reporting process is simple. When the work is complete, please send an email to [give@seventhgeneration.com](mailto:give@seventhgeneration.com) with:

1. A statement that the work, as described in the application, is complete.
2. A few (2–5) photographs of the results of the funding: the completed work, the purchased equipment, etc. That’s it!

*We are honored to have the opportunity to support you and Vermont’s future generations.
